

Workshop

Department: Life Science

Activity: Workshop

Name of the Programme: Flow Cytometry and Data Analysis

Date: 07th February 2020

Participants: 27

Resource Person: Vishal Shinde

Brief write up: A one-day workshop on “Flow Cytometry and Data Analysis” was organised in association with CellKraft Biotech, Pvt. Ltd. for the second semester students of M. Sc. Life Science on 7th Feb. 2020. The workshop was conducted at the CellKraft Biotech laboratory, Bengaluru. The students were introduced to the basic concepts of animal cell culture and flow cytometry through a combined lecture. Later, they had a hands-on experience of sample preparation and learnt the structure, working principle and operation of the flow cytometer. The students were also able to run their samples in the flow cytometer and analyse the results.

Mount Carmel College, Autonomous
Department of Life Science
Workshop – “Flow Cytometry and Data Analysis”
Date: 10th Feb 2020, Time: 9.30 am onwards
II Sem M.Sc 2019-2021
