Topic: Recent trends in Finance

On Monday, the 9th of March 2020, our class the 3rd Year BCom Professional had a guest lecture that was conducted by **Mr. Krishnan Mahadevan**, an associate at Goldman Sachs. The lecture was organised by our class mentor Mrs. Amthur Rehman.

The topic that was covered by him was the Recent Trends in Finance.

Mr. Krishnan began the lecture by first briefing us about the latest trends through various examples one of them being technology. He then used this example to make us understand how finance in the corporate world has changed in past 10 to 15 years. During the lecture he highlighted the below mentioned main points which focus on the most recent trends in corporate finance:

- **Role of the Chief Finance Officer (CFO)**
- **Emerging workforce**
- **Technological Development**
- **Greater Visibility**
- **Growing pain in the market**
- **Evolving Regulations**

The lecture was extremely interesting, and we would like to extend our heartfelt gratitude to our mentor Mrs. Amthur Rehman and the HOD of the Department of Commerce (Mount Carmel College).
