

Department of Nutrition and Dietetics

Activity :Guest Lecture

Date : 16th August 2019

Name of the Program : Applications of Nanotechnology in foods

Industry Associated With : Dr. Ilaiyaraja, Scientist 'D', Biochemistry and Nanosciences Division, Defence Food Research Laboratory (DRDO-DFRL), Mysore

Brief Report :Students were oriented towards the basics of nanoscience, nanomaterials nanotechnology and the various approaches used for the synthesis of nanoparticles- the Top-Down approach and the Bottom-Up approach with emphasis of nanotechnology in food sector.

Dr. Sangeeta Pandey, HOD welcoming Dr. Ilaiyaraja & Session in progress

Students interacting with the Dr. Ilaiyaraja
