

A Webinar On Microsoft Teams

On May 11th, 12th and 14th, 2020 a webinar on how to use Microsoft Teams for online classes was organized by the Department of Computer Science, Mount Carmel College for all the faculties of Mount Carmel College, Autonomous, Bengaluru.

The keynote speakers were Ms.Regina L Suganthi and Ms.Perpetua F Noronha. Also, Ms.Agnes Vidhya and Mr.Tomin Joseph from the Department of Computer Science, Mount Carmel College, Autonomous, Bengaluru took active participation in conducting the webinar.

The webinar helped the teachers to understand how to conduct online classes for students. It gave deep insights on how to schedule a meeting in the calendar, creation of teams, adding members to teams, creation of channels, creation of Tags, conducting quiz and assigning the Assignments to students.
