

Guest Lecture

Department: Life Science

Date: 19th March 2021

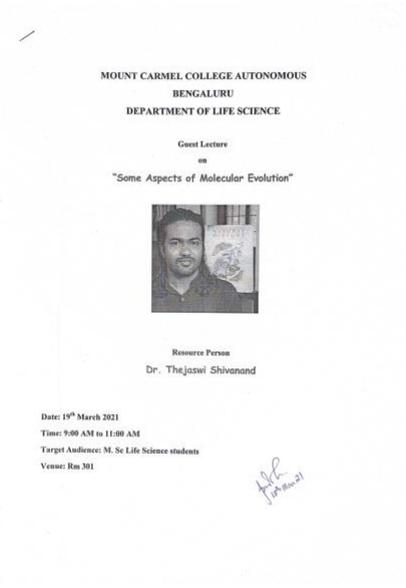

Activity: Guest Lecture

Name of the Programme: Some Aspects of Molecular Evolution

Participants: 17

Resource Person: Dr. Thejaswi Shivanand

Brief write up: Dr. Thejaswi covered various aspects of evolution at the gene level and the importance of neutral mutations in relation to Dr. Kimura's theory. He also spoke on the importance of molecular clocks in evolutionary studies. The talk was organized as a part of the elective paper "Evolution and Ethology" for the 4th semester students.

Guest Lecture on "Some Aspects of Molecular Evolution"
By Dr. Thejaswi Shivanand
19-03-2021
Attendance List

1.	MPL504	Kanishk Kumar	19/03/21
2.	MPL505	Pranav Kulkarni	19/03/21
3.	MPL501	Aditya Kulkarni	19/03/21
4.	MPL512	Ishta Sumanvada	19/03/21
5.	MPL504	Sarthak G. Shah	19/03/21
6.	MPL504	Kanishk Kumar	19/03/21
7.	MPL505	Kanishk Kumar	19/03/21
8.	MPL504	Kanishk Kumar	19/03/21
9.	MPL504	Kanishk Kumar	19/03/21
10.	MPL504	Kanishk Kumar	19/03/21
11.	MPL504	Kanishk Kumar	19/03/21
12.	MPL504	Kanishk Kumar	19/03/21
13.	MPL504	Kanishk Kumar	19/03/21
