

**Mount Carmel College, Autonomous
Bengaluru
Department of Life Science**

Date: 18th and 19th June 2020

Speakers: Dr. Sudha Rao

Ms. Ananya Sen

Ms. Subhashini Joshi

Participants: 110

The department of Life Science, organized a two-day webinar on **“Future Prospects in Life Science”** on 18th and 19th June 2020. It was attended by UG and PG science students from various colleges in India. Three resource persons enlightened students on how pursuing a career in biological sciences could be rewarding.

On 18th June 2020 the resource person **Dr. Sudha Rao**, Co -Founder and Executive Director, Genotypic Technology, Bengaluru, spoke about **“Careers in Biological Sciences”**. She gave an insight into the various career opportunities in biological fields. She also spoke about corporate jobs in various fields – like pharmaceuticals, food products, diagnostics, agriculture, environment and ecology, veterinary science, fisheries and horticulture.

On 19th June 2020, the resource person, **Ms. Ananya Sen (Alumna)** Science writer and Ph.D student, University of Illinois, Urbana-Champaign, USA, gave a detailed insight on **“Navigating a Career after a Master’s Degree”**. She explained the exciting options in research and academics that students can choose after their masters.

The third resource person, Ms. Subhashini Joshi (Alumna) Ph. D. student, Department of Cell and Molecular Biology, Rutgers University, Newark, NJ, USA spoke on the topic **“How to Start Your Journey as a Scientist?”**. She spoke about how students have to focus on their area of research and utilize all the opportunities which come up on their way.

No. 58 Palace Road, Bengaluru - 560052.
(Re - accredited with a A+ Grade (4th cycle) by NAAC)

Two Day Webinar on
"FUTURE PROSPECTS IN LIFE SCIENCE"
18th and 19th June 2020
Organized by Department of Life Science

Patronized by
Dr. Sr. Arpana
Principal

Session 1 : 18th June 2020 ; 9.00 to 10.30am
Dr. Sudha Rao
Co-Founder and Executive Director
Genotypic Technology, Bangalore
"Careers in Biological Sciences"

Session 2 : 19th June 2020 ; 5.30 to 6.30pm
Ms. Ananya Sen
(Aluma)
Science writer and Ph.D student
University of Illinois, Urbana-Champaign, USA
"Navigating a Career after a Masters Degree"

Session 3 : 19th June 2020 ; 6.30 – 7.30pm
Ms. Subhashini Joshi
(Aluma)
Ph. D. student, Department of Cell and Molecular Biology,
Rutgers University, Newark, NJ, USA
"How to Start Your Journey as a Scientist ?"

- Open to UG and PG Science students
- Free registration
- e - certificates for all participants
