

**DEPARTMENT OF MICROBIOLOGY**  
**MOUNT CARMEL COLLEGE (AUTONOMOUS)**  
**WEBINAR 2020-2021**

**Department – MICROBIOLOGY**

**Activity- Webinar**

**Date-** 16<sup>th</sup> October 2020, Friday for 2020 batch students  
23<sup>rd</sup> October 2020, Friday for 2018 and 2019 batch students

**Title of the activity-** ‘Navigating through the Career Maze with Sciences’

**Industry / Resource Person :** Medha Raman and Mrinalini Srinivasan (CZM alumni)

**Number of Participants :** 200

**PLATFORM:** MS Teams

**Brief Report**

April to June 2020 was a very challenging time for the final year students (2017 batch). The students faced problems while **deciding what to do next**, to continue studies or to take a break or to work. The purpose of the talk was to help them keep their spirits lifted, and so we invited two alumni with whom they could talk to and get some perspective. Medha Raman and Mrinalini Srinivasan, gave a talk on their **life and journey after B.Sc.** The talk was conducted online on MS Teams for all the students of Microbiology. The speakers provided insights towards their areas of focus and the necessary preparations required post-B.Sc. They gave a few pointers on the process for foreign University applications. The students were very impressed by the talk and many students after their graduate programme joined prestigious institutes in India as well as overseas for post graduate programme.
