Teacher Incharge:

Ms. Samanvitha. C

Student Coordinators:

Ms. Shruti Kelshikar and Ms. Chavi Surana

The introduction to the session was done by Ms. Samanvitha followed by student coordinator Shruti giving the introduction of Prof. Eugene and welcoming him to the session, where 23 Students witnessed the guest lecture.

Sir introduced the topic with the simple example and by asking few basic questions to the students. He made us understand the meaning of supply, chain, and supply chain management with the help of definitions.

He also discussed on how different pioneers have termed supply chain management. He explained us how the supply takes place with a very clear example and then focused on how supply chain is carried on. He also gave us an insight on how the logistics and supply chain management go hand in hand with the help of diagrams. He also gave us a visual representation of supply chain and its management for our better understanding. His discussions were related to the syllabus topics which he made simple and easy.

He gave us a clear idea of how we can build a career in this field and how supply chain management can keep growing in the coming years.

The session was conducted for final year M.COM (International business) students.

The session was ended by a thankyou note which was taken over by the student coordinator Chavi.
