

Mount Carmel College Autonomous, Bengaluru

Department of Chemistry

WEBINAR

DATE OF EVENT: 5th July 2021

TITLE OF EVENT: “Insights to Competitive Exams for Chemistry Post Graduates”

NO OF STUDENTS/STAFF: 43 students and 18 teaching staffs

RESOURCE PERSON: Dr. Vinayak Kamat, Coordinator, NET/KSET Coaching, School of Chemistry, Dharwad, Karnataka.

SUMMARY OF EVENT:

The purpose of the event was to improve PG Chemistry students' chances of qualifying NET and GATE exams. As a resource person, the speaker has qualified for the JRF and GATE exams multiple times. He shared his experiences with the students and also discussed various exam preparation tips and strategies.

Preparation Tactics....

- Start Preparing from the beginning of M.Sc.
- Confine your preparation for syllabus
- Read reference books and NOT just notes.
- Make use of Online resources, but Carefully.
- Master all the concepts.
- Make your own notes.
- Focus on those concepts on which questions can be framed.

Is it mandatory to answer minimum number of questions from each section in NET ?

Nimisha Nagaraj 17:14
The session was quite clear enough. Thank you so much for taking time off and enlightening us. We shall keep in mind all the points you've mentioned.
