The Centre for Scientific Research and Advanced Learning organized a talk on 17th of August 2021. The Session was inaugurated by Dr. Kavitha Singh, Research Director, she welcomed the speaker as well as the faculty members and asked Dr. Dorin Dsouza, Research Coordinator to introduce the speaker to the gathering. Dr. Dorin introduced the speaker to the gathering and asked the Speaker to take over the session. Prof. Cletus emphasized on what steps must be taken in order to apply for a Research Grant and briefed about its importance to the members present.

The session covered the following aspects:

- Why should one take up research?
- Lesser-Known Research jobs
- Research Funding: Science
- Funding: Social Science and Humanities
- How to apply?
- Where do you start your Research idea?
- Do you have the competitive edge?
- Objectives, workplan, deliverables and milestones
- Budget
- Identifying a Research Problem
- Think out of the box and think differently

The talk was conducted with a purpose of strengthening the Institutional Research activity and to work in collaboration and was organised for the faculty members of Mount Carmel College. We had 163 participants for the talk and was a very interactive session.
