

Adolescentopedia- a panel discussion

Department of human development organised a panel discussion for the 5 th semester BSc. NDHD students on 21st August 2023. Experts working for the welfare of adolescents, parents of an adolescent, an adolescent boy and a girl were invited as panellists. The session was moderated by the Dr. Sujata Gupta, HOD department of human development. The panel discussion gave the students an insight about the issues and challenges faced by adolescents in the society, especially the one coming from difficult backgrounds
