

LMS Orientation

Activity: LMS Orientation

Date: 03/08/2023

Speaker: Mr. Madan, CMA, CPA

The School of Commerce, Mount Carmel College, Autonomous, in collaboration with Miles Education, organized a seminar for 1st Year B.Com Strategic Finance students on the 3rd of August, 2023 at noon. It was held at Mount Carmel College, Autonomous at LSCB Seminar Hall 3. The program was an instructive session on using “Learning Management System” (LMS). Mr. Madan started by enlightening us about the CMA examinations. We learned about the pattern of questions in the exam and were told about the ways to go about studying for it. We also discussed the advantages of doing CMA together with our graduation. Sir later went on to explain the multiple features of LMS. We were shown the E-Books, Videos, MCQs, and Essay Question tabs which will all provide us with the necessary material and syllabus for the exam. The portal also provides students with one-on-one mentoring sessions for those who want extra help or have any academic queries. We also saw the tabs through which we would be able to access a multitude of model questions and mock exams that we can make use of while preparing for our exams. The session was a very interactive one and Madan Sir actively asked us questions and cleared everyone's doubts throughout the program. Overall, the orientation session on “Learning Management System” was very descriptive and helpful in teaching us the various ways of using the portal and accessing all the resources provided on it.
