

## Mount Carmel College, Autonomous Department of Life Science

1. **Title of the program:** “Gene expression changes during cell state transitions in cancer- An insight into cancer chemoresistance”
2. **Target group:** PG students of Biological Science
3. **Speaker:** **Dr. Prathibha Ranganathan**  
Assistant Professor  
Cancer research Lab  
Centre for Human Genetics  
Bengaluru
4. **Date:** 08/11/23

**Write up:** Dr. Prathibha with her expertise in the field of oncology addressed the PG students of Biological Science on the gene expression changes in cancer. She gave an in-depth explanation on the cancer chemoresistance mechanisms.
