(BSc in EMS, Mount Carmel College)

Number of Participants: 41 (approx.)

Facilitators: Aarushi Vishwanathan, Akshita Gairola, Hastha R, and Rumana Shethwala

Outcomes:

During this enlightening event, speakers - Ms. Esha, Ms. Vanshika, Ms. Anupama, and Ms. Prerana provided invaluable perspectives on pursuing master's degrees before entering the workforce. Attendees gained a clear understanding of the benefits and nuances of this academic and professional pathway. Armed with this knowledge, the students left the event inspired and better prepared to navigate their academic and career journeys towards success. The audience of 40+ students posed several questions which were answered patiently by the speakers. The

session proved to be both highly interactive and insightful. The speakers' stories serve as genuine inspiration for all students. Their journey from college to pursuing master's degrees and entering the corporate world, overcoming diverse challenges, left a profound impression on all of us. Beyond the event, these narratives will continue to shape the success of students as they embark on their corporate journeys.
