### **National Statistics Day - EVENT**

We, the secretaries of Anovation - Akshita Gairola, Hastha R, and Rumana Shethwala, organized a remarkable event and a captivating Guest Talk in celebration of National Statistics Day.

The event hosted was titled "*The Write Side of Data*" featuring a single, engaging round.

#### **About the event -**

The participants were tasked with crafting a story within a twenty-minute time frame based on a given situation. To add an exciting twist, every five minutes, a new word related to statistics was revealed, which they had to incorporate seamlessly into their narratives.

The panel of judges for the event comprised the secretaries of ANOVation - Akshita Gairola, Hastha R, and Rumana Shethwala

#### **The winners of the event were-**

First Place: Ranjana Y Pal - 5th Semester - B.Voc - Data Science and Analytics

Second Place: Ranjana Y Pal - 5th Semester - B.Voc - Data Science and Analytics

Third Place: Ridhika Anand - 3rd Semester - B.Com SF+US CMA

### **National Statistics Day – GUEST TALK**

#### **Keynote Speaker**

Mr. Rajeev Ranjan, Assistant Vice President - Data Science and Insights, Genpact.

#### **About the Guest Talk -**

During Sir's compelling lecture, Mr. Rajeev Ranjan delved into the fascinating world of data science and AI for problem-solving. The talk offered valuable insights into the five essential pillars of data science and highlighted their significance in constructing effective statistical models.
