

Interactive Session: Key Takeaways on Interim Budget (6 February 2024)

Dr. Madhusudhan Rao, Senior Researcher at Centre for Budget and Policy Studies, Bengaluru and Mr. Kishore, CEO and Co-Founder of the Stock Market Institute were the experts invited to facilitate a holistic discussion on the various aspects of the budget.

Dr. Rao started off by discussing the positive aspects of the interim budget including the impetus to renewable energy, industry as well as rural consumption and demand.

He also highlighted the way forward in order to reach India's economic goals while honouring its commitment to sustainability.

Dr. Kishore discussed the impact of the interim budget on the stock market in the short-run as well as the long-term implications of the policy changes envisioned by the budget.

He also discussed the multiplier effect in the context of India's economic outlook.
