

## **AN INSIGHT INTO THE PLACEMENT CELL– MR. ASGAR**

Mr. Asgar, Head of Placement Cell conducted a session on the 25th of February, 2024, focusing on the functioning of the placement cell, opportunities available to students, and the job placement process. This was a session with the third year Communication Studies students as part of their Internship.

He emphasised on What services does the placement cell offer (resume workshops, mock interviews, etc.) How the placement cell connects students with employers (job fairs, company presentations, etc.) He explained the different job offers we can apply for like full time job placements after graduation and internship opportunities.

Asgar sir explained how to register with the placement cell, resume and cover letter submission guidelines, interview scheduling and preparation tips and job offer negotiation strategies. He concluded by opening the floor to questions, and answered the students' queries about placements, the operating of the cell, how to go about accepting an offer, etc.
