**Activity Name:** Alumnae Connect

**Date:** 29<sup>th</sup> January, 2023

**Time:** 8:50 AM

**Venue:** VC Room

**Aim:** To empower and inspire the students by offering invaluable insights into post-graduation academic choices and the corporate landscape, fostering informed decision-making for a prosperous career journey.

**Resource Person :**

Ms. Sruthi Rayavarapu

Pursuing Master's in Applied Economics (National University of Singapore)

(BSc in EMS, Mount Carmel College)

**Number of Participants:** 35 (approx.)

**Facilitators:** Akshita Gairola and Hastha R.

**Outcomes:**

During the event, the speaker Ms. Sruthi provided valuable insights on pursuing her master's degree in NUS and the opportunities she was presented with there which led to her paving her career as a Capabilities and Insights specialist at McKinsey. Attendees were informed of her decision on the choice of her career, how to navigate through the workload of college, and how to choose between working and studying right after their undergraduate studies. The audience of 25+ speakers posed several questions and interacted with the speaker one-on-one after the conclusion of the talk. The speaker's journey as a corporate professional served as a yardstick for those intending to pursue Applied Economics as their specialisation. Beyond the event, this talk allowed students to gain lifelong networks and furnish any doubts they had.
