Carmel Connect Report

Activity Name: Carmel Connect Episode 1

Date: 25th July, 2023

Time: 2:00 PM

Venue: GJB - 1 (Auditorium III)

Aim: To inspire and enlighten the students by providing valuable insights into the transition from college to the corporate world through a compelling alumni talk, fostering a deeper understanding of the journey ahead and empowering them to make informed career choices.

Resource Person: Ms. Meghna Singh,
Senior Data Scientist, Fidelity Investments
(2008 - 2011 BSC EMS, Mount Carmel College)

Number of Participants: We had an audience consisting of more than 100 students.

Facilitators: Aarushi Vishwanathan, Akshita Gairola, Hastha R, and Rumana Shethwala

Outcomes:

Ms. Meghna spoke about how co-curricular activities helped her enhance her resume and career trajectory. Though she had the option to go abroad to pursue her studies, she chose to study here in India because of the belief that our country has rich resources and renowned institutes within. Ms. Meghna also discussed planning and preparation strategies for the entrance exams. The audience of 100+ students posed several questions which were answered patiently by the speaker. The session proved to be both highly interactive and insightful. Ms. Meghna's story serves as a genuine inspiration, particularly for final-year students grappling with uncertainties about their future paths. Her journey from college to the corporate world, triumphing over various challenges, left a profound impression on all of us. beyond the event itself, shaping the success of students as they embark on their corporate journeys.
